Call the Chamber office at (919) 552-4947 to discuss your options!

Introducing Go Fuquay-Varina!!

Arriving in late 2016, **Go Fuquay-Varina** will be a comprehensive commerce-based mobile app with a focus on community! This will revolutionize the Chamber's membership directory and turn it into an opportunity for member businesses to promote their products and services directly to the local consumer (and visitors!).

Every member business will receive a basic listing in the mobile app as a feature of membership. Additional features can be purchased on an annual basis (see reverse).

Loyalty Programs

For the first time ever, member businesses will be able to afford mobile loyalty programs that will bring customers in your door to earn "punches" toward future purchases (buy 5, get 1 free).

See the reverse side for the different options you can purchase to "enhance" your listing! And watch for a launch date announcement in just over a month!
