Celebrating 60 Years!

First Federal BANK

First Federal Bank is celebrating it's 60th Anniversary this year! We are different from other banks in that we have chosen to be committed to our local communities, serving Harnett, Johnston, and Wake counties since we opened our doors in 1959. First Federal's mission isn't to be the biggest, it's just to be the best! We care not only about serving our local communities, but giving back as well. One great example of this would be our Small Business Showcase we offer to all local small businesses- to include those that don't bank with us! We invite any small business to set up a table to advertise themselves in our branches as a way to help them grow. I am proud to work for a bank that cares about ALL people, not just those that have relationships with us.

Celebrating 18 Years!

Just wanted to share that ClubWorx is celebrating its 18th anniversary! Over this time, the club has reinvested millions of dollars and has employed just under 750 people. We love having a positive impact on the lives of the FV community.

Recognizing Certified Medical Assistants!

UNC Family Medicine at Fuquay Varina is part of the UNC Physicians Network.

Recently they have implemented an opportunity to recognize our Certified Medical Assistants by promoting their efforts and hard work. We have already had the opportunity to promote 3 of our 5 employees to CMA II status which involves a raise for the employee as well as more of a leadership role.
